

Hawaii State Association of Counties

Counties of Kaua'i, Maui, Hawai'i and City and County of Honolulu

Aloha!

When was the last time you thought about the county you live in – I mean really thought about it? Counties provide for your most basic everyday needs – fresh water, disposal of trash and sewage, transportation, and police, fire and emergency services.

I think you'd agree that without these services, the richness of our Island lifestyle would leave much to be desired.

But counties do so much more for you. They provide parks for your children's recreation, they keep watch over you at our beautiful swimming and surfing beaches, they manage the uses of our precious land, and they celebrate with you on important holidays.

The Hawaii State Association of Counties (HSAC), a non-profit corporation made up of Hawaii's four counties, seeks nothing less than to make county government the best it can be for the people. The challenges facing each county in the years just ahead will be at the heart of HSAC's Annual Conference on June 24 – 26, 2010 at the J.W. Marriott Ihilani Resort at Ko Olina, Oahu.

We are expanding the opportunities for sponsors. There are several levels of sponsorship available that can include cash donations, event sponsorships, exhibits, and advertising.

Someone may be contacting you on behalf of HSAC. Please take the time to talk with them. We appreciate all you have done for us and look forward to your continued support and participation.

Aloha,

Nes

Nestor Garcia, Conference Chair
Vice President, HSAC
