

**Department of Emergency Management
Tsunami Refuge Center List
October 2011**

Tsunami Refuge Centers will open during a Tsunami Warning and Evacuation. You should know the location of your two nearest Tsunami Refuge Centers but do not go there until instructed to do so.

Listen to radio and television for Tsunami Refuge Center locations, instructions and opening schedule.

Be aware Tsunami Refuge Centers do not stock supplies. You must bring all of your emergency supplies with you.

If you know someone who does not speak English or someone who, due to a disability cannot receive emergency information readily, we highly recommend forming a core group of family or friends who can assist with translations or providing important emergency information as well as assisting with disaster preparedness actions and if needed, evacuation.
